Bangalore 27th July 1898.

To

The Secretary to the Government
of Mysore,
Muzrai Department.

Sir,

The old cooking and store rooms
the Ghatti Subrahmanaswami temple
the Doddballapur Taluk that were in
dilapidated condition, and ~~thus~~
dangerous to the public have been
~~demolished~~. The temple being situated
in a forest, there being no villages nearer
than three miles ~~from the temple~~, and
the people that gather ^{there} every year at
the time of the Car festival being
numerous great inconvenience is caused
from the absence of cooking and store
rooms for the different sects for the
performance of Sauttiarpane' &c during
the time of the festival.

2. Under these circumstances,
I have the honor to forward herewith
for sanction an estimate for Rs 5320/-
together with ~~the~~ plan &c for a set of

kitchens and store rooms to be attached
to the temple. The charge may be met
from the Muzrai surplus funds. Or
Rs 10,825-7-10 now at the credit of
the institution.

I have the honor to be

Sir

Your most obedient servant

Dy. Commissioner,
Bangalore District.

In obedience to your orders
I went to the Ghatte Subramanyam
in Doddaballapur Taluk and inspected
the site proposed for the construction of
a set of Kitchens and store rooms to be
attached to the temple. The Estimated cost
of the construction of the building is
Rs 5320 as per Estimate Submitted by
the amildar.

As the building is to be used only
once a year during the time of gatra I
beg to submit that such a large outlay
of Rs 5320 is unnecessary at present.
Further such a large building will require
a permanent sweeper on Rs 6 per mensem
besides the cost of the periodical repairs.
A temporary shed at a cost of about
Rs 100 ~~may be~~ erected during the time
of gatra will answer the purpose.

General No. *911*
Muzrai F. No. *88-92*
Enclosure No. *2*

*His letter N.º 107 dated
27th July 1898, submitting
for sanction an estimate
amounting to Rs 5320 for
the construction of Kitchens
and Store-rooms in the
Sri Ghate Subrahmanya-
Swarai temple at Dodballapur*

*With reference to the above,
has the honr Commr observed
that as the proposed
Kitchens and Store-rooms
could be utilized only
once a year during the
time of the temple Jatra
the construction of a
substantial building
for that purpose is*

Such a heavy outlay
as Rs 5320 and that at
a time when all the
available funds of the
temple are required for
the improvement of the
main temple building
seems to be quite inexpedient.
The Govt are therefore of
opinion that a temporary
shed put up ^{at a suitable place} for the occasion
at the time of the annual
Jatra will sufficiently
answer the purpose.

letter under reply are
